## CURRICULUM VITAE

---

*Name - Surname*                    **Ionas Iona**  
*Company Address*                41C Archangelou Michael Ave., Strovolos, 2057 Nicosia  
*Mobile Number*                    +357 99357573  
*Company Number*                +357 22353546 (7000 9434)  
*Company Fax*                        +357 22263433  
*Email*                                 [ionas@joinmywifi.com](mailto:ionas@joinmywifi.com)  
*SkypeID*                              ionas.iona  
*Nationality*                        Cypriot  
*Date of Birth*                        June 15<sup>th</sup>, 1983  
*Gender*                                Male

---

### AREAS OF EXPERTISE

---

- **Software engineering – Designing and developing software, web applications, microcontroller applications**
- **Computer networks administration and Wi-Fi technology**

---

### EDUCATION

---

2003 - 2009                    **BSc & MSc in Computer Science - Electrical and Computer Engineering department  
National Technical University of Athens (Ethniko Metsovio Polytechnio)**  
*GPA:* 8.02/10, "Very Good"  
*Thesis grade:* 10/10, "Excellent"  
*Thesis:* "Storing and querying Multidimensional-XML documents via relational databases"  
DB implemented in MS-SQL Server and application developed in Java

2001 - 2003                    **Cyprus National Guard - Military obligations**  
*Rank:* Officer - Second Lieutenant

1998 - 2001                    **Kykkos B Lyceum, Nicosia**  
*Graduation grade:* 19<sup>1/9</sup>/20, "Excellent"

---

### PROFESSIONAL CERTIFICATIONS

---

**MIKROTIK**

2016                              Certified Inter-Networking Engineer (MTCINE) - Score: 79%  
2016                              Certified Routing Engineer (MTCRE) - Score: 96%  
2015                              Certified User Management Engineer (MTCUME) - Score: 81%  
2015                              Certified Traffic Control Engineer (MTCTCE) - Score: 98%  
2015                              Certified Wireless Engineer (MTCWE) - Score: 77%  
2015                              Certified Network Associate (MTCNA) - Score: 98%

**IBM Lotus Notes Domino**

2014                              9.0 Social Edition Application Development Update - Score: 98%  
2013                              8.5 Application Development Update - Score: 100%  
2013                              8 Application Developing Web Applications - Score: 98%  
2012                              8 Application Development Intermediate Skills - Score: 75%  
2011                              8 Application Development Foundation Skills - Score: 82%

**CISCO**

2010                              CISCO Routing and Switching Associate Level (CCNA) - Score: 91%

---

### HONORS AND AWARDS

---

2009                              **Graduated from National Technical University of Athens with 8.02/10 GPA**  
Ranking amongst the top 15% of my class

- 2003 - 2007      **Scholarship by the Greek State Scholarships Foundation**  
 Ranking amongst the top 1% of all the Cypriot candidates of the "Pancyprian Exams" within the sciences branch. *Ranking:* 20<sup>th</sup> out of 2050
- 2001              **Excellence award by the Kykkos B Lyceum**, for my performance at high school's courses. *Graduation grade:* 19<sup>1/9</sup>/20

**WORK EXPERIENCE**

---

- 2014 – Present      **M&I Join My Wifi LTD – WiFi marketing solution, Nicosia**  
**Founder, Chief executive officer (CEO)**  
 JoinMyWifi is a WiFi marketing solution that combines the strength of MikroTik routers and the features of our proprietary cloud software. It exploits the existing WiFi infrastructure of each business in order to transform it into an effective in-house marketing tool that will bridge the gap between company and customers, and ultimately will drive higher sales. It is dedicated for businesses that provide WiFi to their customers such as ISPs/WISPs, municipalities, malls, hotels, casinos, restaurants, bars. JoinMyWifi succeeds by providing each business the opportunity to increase revenue by real-time promotional notifications in WiFi, build loyalty by sharing discount coupons, enhance social media presence, strengthen branding through customized user experience, increase returning customers by creating follow-up campaigns, generate revenue by showing 3rd party advertisements, optimize network, engage customers, learn who they are, learn their habits and reach out dissatisfied ones in order to convert them to brand promoters.
- 2011 – 2014        **Inteli-scape LTD (LogicomGroup member) – E-business solutions & services, Nicosia**  
**Software solution developer**  
 Senior Programmer in IBM Lotus Notes Domino, providing e-business solutions and services. Intermediate Programmer in IBM WebSphere Message Broker, facilitating the connectivity between applications in Service Oriented Architectures. Responsibilities included:
- Designing and developing world-class solutions for enterprise customers such as major banks, internet and telephony service providers and the Cypriot government
  - Understanding the business' need and clarifying inconsistencies prior implementation
  - Managing the workflow and development of the solution
  - Installing development, pre-production and production environments as needed
  - Maintaining the software during its life cycle
- Solution competencies:* Business Process Management and Integration, Enterprise Resource Planning, Human Capital Management, Customer Relationship Management, Web Content Management, Service Oriented Architecture
- 2009 – 2011        **A.S. Indelde Co LTD - Industrial electronic design sales & services, Nicosia**  
**Designer and developer of applications for microcontrollers**  
 Programming mid-range microcontroller units (MICROCHIP - PIC16 MCU), which were used in customized industrial electronic designs. Responsibilities included:
- Streamlining a unique combination of performance, power efficiency and design flexibility in order to achieve low power consumption and high level of integration
  - Designing algorithms for signal processing coded in C and Assembly language. For software development and debugging MPLAB IDE was used
- 2007 – 2009        **Freelancer, Nicosia**  
**Web designer and developer**  
 Developing websites and web stores using HTML, XML, CSS and JavaScript/JQuery for the front-end and PHP for the back-end Content Management System (CMS)

**COMPUTER SKILLS**

---

Operating Systems	MS-Windows/DOS, UNIX/Linux, MikroTik RouterOS, CISCO IOS
Software Programming	C/C++, Java, PHP, PL-SQL, HTML/XML/CSS, JavaScript/JQuery
Hardware Programming	80x85/86, MIPS-32, PIC16, AVR, Active-VHDL
DBMS	IBM Lotus Notes Domino, MS-SQL Server, ORACLE Express, MySQL
ESB	IBM WebSphere Message Broker

**LANGUAGES**

---

Greek	Native speaker
English	Fluent – GCE Ordinary Level (2000)
